Acknowledgement of Country

- The University of Queensland (UQ) acknowledges the Traditional Owners and their custodianship of the lands on which we meet.

- We pay our respects to their Ancestors and their descendants, who continue cultural and spiritual connections to Country.

- We recognise their valuable contributions to Australian and global society.
Did you take your planned step?

Did you learn or enjoy something?
Who is the most creative person you know?

Why?
Individual reflection

Draw a small circle in the middle of a page.

• If you have a goal, write it in the circle.
• If not, write your name.
• Draw petals around the circle to make a daisy.
• In each petal, write one thing that led you to your goal or makes you who you are today.
Group discussion

Share your daisy with fellow circle members.

• You do not need to show anyone your drawing, or discuss anything that makes you uncomfortable.

• If you have a goal, share it and a few petals.

• Don’t worry if you don’t have a goal – just share a few petals.

• Listen deeply to understand.

• Look for commonalities across the circle.
What one step will you take before the next meeting?

- a specific action
- may build on content from today's session OR make progress towards your own personal / professional goal(s)
- your circle will ask you about it next week
Thank you
